- 16.1 If a Signatory fails to comply with its reporting requirements as specified in paragraph (b) of Rule 7.1 then the following shall apply:
- (a) If such failure to comply continues for one month after the relevant submission deadline, the Signatory will be excluded from the annual report and the Secretariat shall send a written reminder to the Administrative Representatives of that Signatory, copied to the Chair notifying the Signatory of the consequences of continued failure to comply as set out in paragraphs (b) and (c) below.
 - (b) If such failure to comply continues for three months after the relevant submission deadline, the Secretariat shall note the Signatory's failure to report on the Association's website and send a further written reminder to the Administrative Representatives of that Signatory, copied both to the chief sustainability officer (or equivalent officeholder) of that Signatory and the Chair.
 - (c) If such failure to comply continues for six months after the relevant submission deadline, and without explanation or exemption granted, the Secretariat shall remove the name of the Signatory from the list of Signatories on the Association's website and the relevant Signatory shall cease to be a Signatory or a member of the Association.
 - (d) If it has ceased to be a Signatory by operation of paragraph (c) above, should it wish to become a Signatory again, the former Signatory must reapply in accordance with the provisions of Rule 6.
- 16.2 If a Signatory fails to pay any amount payable by it under these Rules, then the following shall apply:
- (a) If such failure to pay continues for one month after the relevant payment deadline, the Secretariat shall send a written reminder to the Administrative Representatives of that Signatory, including details of the consequences of continued failure to comply as set out in paragraphs (b) and (c) below.
 - (b) If such failure to pay continues for six months after the relevant payment deadline the Secretariat shall note the Signatory's failure to pay on the Association's website and send a further written reminder to the Administrative Representatives of that Signatory, copied both to the chief sustainability officer (or equivalent officeholder) of that Signatory and the Chair.
 - (c) If such failure to pay continues for seven months after the relevant payment deadline, without exemption, the Secretariat shall remove the name of the Signatory from the list

of Signatories on the Association's website and the relevant Signatory shall cease to be a Signatory or a member of the Association.

- (d) If the relevant Signatory pays all amounts then due by it within nine months of the relevant payment deadline and has not previously ceased to be a Signatory by reason of this Rule 16.2 then its name will be restored to the list of Signatories on the Association's website and it shall be reinstated as a member of the Association but not to any other role that it had in the Association before its removal (such as membership of the Steering Committee).

- 16.3 Upon ceasing to be a Signatory, the former Signatory may no longer use the logo of the Principles and shall remove it from all its literature and any website.

17. EFFECT OF REORGANISATIONS OF SIGNATORIES, MULTIPLE MEMBERSHIPS AND LEAVING THE ASSOCIATION

- 17.1 Signatories may be affected by corporate transactions such as mergers, acquisitions and disposals and such transactions might have an impact on that Signatory's membership of the Association and its ability to comply with the Principles. Any Relevant Institution affected by any such transaction is encouraged to remain or become a Signatory and may request that the Steering Committee grant a suspension of its reporting obligations to allow a reasonable period for integration. Any such allowance shall be noted against the name of the relevant Signatory on the Association's website.
- 17.2 If, as a result of a corporate transaction or otherwise, more than one Signatory is a member of the same financial group and the Steering Committee considers that this could undermine the principle of "one Signatory, one vote", the Steering Committee shall recommend to the Signatories how many votes that financial group shall be allowed. This recommendation shall be implemented unless the relevant financial group requests the matter to be decided by the Signatories. In any such voting process, the relevant financial group shall only be entitled to one vote on behalf of all the Signatories forming part of it.
- 17.3 If a Signatory ceases to be a Relevant Institution or wishes to withdraw from the Association and its adoption of the Principles it shall give notice to the Secretariat and the Chair in writing whereupon it shall cease to be a member and its name shall be removed from the list of Signatories on the Association's website.

- 18.2 Each Signatory shall bear its own costs and expenses in relation to the adoption and implementation of the Principles.
- 18.3 Each Signatory acknowledges that the Association's costs will vary.

The Annual Fee is due annually in respect of each Financial Year and shall be paid no later than the end of the first quarter of the relevant year and is non-refundable in the event that a Signatory ceases to be a member of the Association.
- 18.6 If a Signatory ceases to be a member of the Association or fails to comply with its obligations under these Rules, the Signatory is not released from its obligations to pay the Annual Fee. Any outstanding payments for the relevant year will fall due immediately upon a Signatory ceasing to be a member of the Association.
- 18.7 If a Signatory becomes a member of the Association during the year it shall pay, upon becoming a member, a proportionate amount of the Annual Fee, calculated on the number of full months remaining before the following 31 December.

- 18.10 Expenditure should be within the relevant budget presented to the Signatories at the Annual Meeting or as otherwise approved by the Steering Committee or the Signatories as appropriate.
- 18.11 Funds will be held in a bank account in the name of the Association. The Association's annual report will be prepared in such currency as may be determined by the Steering Committee.
- 18.12 Changes to the authorised Signatories for any bank account must be approved by two members of the Steering Committee, including the Chair and the Vice Chair.
- 18.13 The Association's annual reports shall be audited by an English state-authorized public accountant or registered public accountant elected at the Annual Meeting for one year at a time (the "**Auditor**"). The Association's Financial Year runs from 1 January to 31 December and the first Financial Year of the Association shall commence on the date of formation of the Association and end on 31 December 2022.
